

Barbarians For Christ

For the attention of the Senior Pastor and Youth Pastor

Are you looking for a different approach to deliver the message of hope found in Jesus Christ to the younger generation or to your older congregation?

The youth/church of today are often looking for a sense of excitement in their faith – maybe it is time for a different approach? Set aside a day to invite all friends and family, saved or unsaved, to come and experience a fun way of receiving the Gospel.

Barbarians for Christ is a ministry using feats of strength to gain attention, which is then followed by the sharing of real life testimonies. The testimonies given are of the personal struggles that the team members faced personally and how Jesus stepped in and turned their lives around.

Our hearts are to serve and to bring the good news of the Gospel of hope to those who are in attendance.

The team generally requires between 45 – 60 minutes to complete the feats, share their testimonies and be available to speak to, or pray with, anyone who has been challenged by what they have heard.

If you believe Barbarians for Christ could be of benefit to your church and ministry, please feel free to get in touch, either through our website or our FaceBook page.

There is no charge, Barbarians for Christ is a free and voluntary ministry.
